

Auto Repair Source

Your Source for Current,
Accurate, Authoritative Auto
Service and Repair Information

Looking to save money by performing oil changes and other routine automobile maintenance tasks on your own? Want to learn how much parts and labor might cost before consulting a mechanic? Whether you drive a car, SUV, crossover or truck, you'll find the information you need at the library.

Auto Repair Source, powered by the automotive experts at MOTOR, contains step-by-step repair information, diagrams, maintenance schedules, parts and labor estimates, service bulletins and recall notices for all makes and models, with some model years going back to the 1970s.
