

# Fairy Tales from the Brothers Grimm: A New English Version

Edited by Philip Pullman

Two centuries ago, Jacob and Wilhelm Grimm published the first volume of *Children's and Household Tales*. Now Philip Pullman, bestselling author of the Dark Materials trilogy, makes us fall in love all over again with the immortal tales of the Brothers Grimm. Features familiar stories, such as Cinderella and Hansel and Gretel, while giving us tales we may not have heard before, such as The Mouse, the Bird and the Sausage or The Briar Rose.

## The Darkest Part of the Forest

by Holly Black

In the town of Fairfold, where humans and fae exist side by side, a boy with horns on his head and ears as pointed as knives awakes after generations of sleep in a glass coffin in the woods, causing Hazel to be swept up in new love, shift her loyalties, feel the fresh sting of betrayal, and to make a secret sacrifice to the faerie king.

## The Cottingley secret

by Gaynor, Hazel.

When two young cousins, Frances Griffiths and Elsie Wright from Cottingley, England, claim to have photographed fairies at the bottom of the garden, their parents are astonished. But when one of the great novelists of the time, Sir Arthur Conan Doyle, becomes convinced of the photographs' authenticity, the girls become a national sensation, their discovery offering hope to those longing for something to believe in amid a world ravaged by war. Based on true events.

## The Fairy Godmother

by Mercedes Lackey

A fractured fairy tale is a story which makes use of a traditional fairy tale but restructures and reimagines it. Elena Klovis was supposed to be her kingdom's Cinderella--until fate left her with a completely inappropriate prince! So she set out to make a new life for herself. But breaking with "The Tradition" was no easy matter--until she got a little help from her own fairy godmother. Who promptly offered Elena a most unexpected job...

## The Wee Free Men

by Terry Pratchett

Armed only with a frying pan and her common sense, Tiffany Aching, a young witch-to-be, is all that stands between the monsters of Fairyland and the warm, green Chalk country that is her home. Part of the 41 book Discworld series, this can be read as a standalone.

## Iron Kissed

By Patricia Briggs

Part of the urban fantasy series Mercy Thompson, *Iron Kissed* is the first book where you really see fairies up close. When her former boss and mentor is arrested for murder and left to rot behind bars by fairies, it's up to shapeshifting car mechanic Mercy Thompson to clear his name, whether he wants her to or not. And she'll have to choose between the two werewolves in her life-whether she wants to or not.

## The Invisible Library

by Genevieve Cogman

In a struggle between chaos and order, between elves and dragons, one thing stands in their way, a library. Irene is a professional spy for the mysterious Library, a shadowy organization that collects important works of fiction from all of the different realities. Most recently, she and her enigmatic assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it's already been stolen. London's underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded by the fact that this world is chaos-infested--the laws of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something--secrets that could be just as volatile as the chaos-filled world itself.

## Wings

by Pike, Aprilynne.

When a plant blooms out of fifteen-year-old Laurel's back, it leads her to discover the fact that she is a faerie and that she has a crucial role to play in keeping the world safe from the encroaching enemy trolls.
